After a long discussion, it was noticed that a single criterion would not be used for allotting credits to all the various activities. Therefore it was decided that the incharges of each activity shall chalk out certain norms to allot credits to their particular activity.

All the incharges shall discuss the criteria for allotting credits to their particular activities in the next meeting. After finalising the norms, and criteria for allotting credits to various activities, a draft should be made and the same shall be uploaded on the college website for Students' information. Similarly the Notice of the same shall be circulated to the Students and teachers for their information.
