

Since its launch last January the *DofE expedition kit guide for participants and parents* has been viewed and downloaded over 115,000 times. The feedback from Leaders and Expedition Supervisors has been enormously positive so we are going to produce some more such resources.

Already you'll see that the expedition pages on www.DofEShopping.org/expedition-kit are full of kit tips and money saving advice – but this is just the start. You'll soon see more advice videos and downloads to help participants with their preparations and help you to deliver expedition training. We are also talking with leading adventurers to get their tips for DofE expeditions.

Get involved

- Do you have an idea for a useful national expedition information/training download? If so, please let us know and we'll see if we can get it up on the website.
- Have you created a great training sheet or document – send it in and we may put it on the website to help other Leaders and Expedition Supervisors.

Contact alex.davies@DofE.org

If you are delivering DofE expeditions make sure you have a copy of the *DofE Expedition Guide*, it is essential Leader/Supervisor reading for all things expedition-related.

expedition kit top tips

Alex Davies takes a look at the kit advice the DofE will be providing in the 2015 season.

The DofE Reward Card

Available to everyone supporting the DofE

We would like everyone who is eligible to benefit from the **DofE Reward Card** to have one. All adults who support the delivery of DofE programmes in your centre are eligible to receive a card and can get one via www.DofEShopping.org/reward-card. The application will be processed and delivered to your door within four weeks.

So if you have a colleague who is a volunteer, an administrator or is part of your expedition support staff, please let them know they too can apply for a card.

The design of the DofE Reward Card, which provides 20% off at Cotswold Outdoor, is updated annually. All recipients, including participants who receive a 15% discount, will have seen this new design from September 2014.

The DofE Reward Card can be used all year round in all Cotswold Outdoor stores or online – if the latter then simply type in the AF code shown on the back of the card and the discount will be applied directly. You can use the Reward Card all year round across all full priced products.

And finally – everybody wins. The DofE Reward Card provides an income to the DofE Charity, but only if you show your card at the Cotswold Outdoor checkout (or use the online code). Happy shopping!
