

Emmbrook Infant School SEND Information Report 2019/20

Emmbrook Infant School is located in Emmbrook Village and has a strong community feel, sitting alongside the Junior School and The Emmbrook Senior School. It has a capacity of 180 pupils, 30 per class.

Our school is a secure, healthy, stimulating and caring environment in which staff and children appreciate and respect each other as they develop and deepen new skills and concepts.

Learning is exciting, inspiring, challenging and enjoyable. Every child is happy, caring and confident whilst knowing they are a valued member of our school. We embrace the individual needs of every child to progress and grow through our Core values, whilst working in strong partnership with home. Children achieve personally, socially and academically, laying the foundations for life-long learning and independence.

Our motto **TEAM-Together Everyone Achieves More** - summarises the sense of togetherness that exists in our school and the strong sense of care and nurture that is evident in all areas of school life. (Ofsted 2013)

Admissions:

The Governors of Emmbrook Infant School have been guided by Wokingham Borough Council in preparing the criteria for admission. As a community school, we are bound by the LA's Admissions Policy. We are also bound by the national requirement for KS1 children to be in classes of 30 children or less.

However, the school are permitted to accept pupils with an Education, Health and Care Plan who will access the Hearing Impaired Resource, in addition to the standard number of 60.

Children with an Education, Health and Care Plan (EHC Plan)

Where a child's EHC Plan names a particular school, the named school is required to admit the child. The Governing Body does not have the right to refuse admission.

Aims:

Our SEN policy and information report aims to:

- Set out how our school will support and make provision for pupils with special educational needs (SEN) and disabilities
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND

Legislation and guidance

This information report is based on the statutory Special Educational Needs and Disability (SEND) Code of Practice and the following legislation:

Part 3 of the Children and Families Act 2014, which sets out schools' responsibilities for pupils with SEN and disabilities

The Special Educational Needs and Disability Regulations 2014, which set out schools' responsibilities for education, health and care (EHC) plans, SEND co-ordinators (SENDCOs) and the SEND information report.

Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools
- Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

Roles and responsibilities

The SENCO is Mrs Grace Massarella.

She will work with the headteacher and Inclusion governor to determine the strategic development of the SEN policy and provision in the school.

She will:

- Have day-to-day responsibility for the operation of this SEN policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- Provide professional guidance to colleagues and work with staff, parents, and other agencies to ensure that pupils with SEN receive appropriate support and high quality teaching
- Advise on the graduated approach to providing SEN support
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Be the point of contact for external agencies, especially the local authority and its support services
- Liaise with potential next providers of education to ensure pupils and their parents are informed about options and a smooth transition is planned
- Work with the headteacher and governing board to ensure that the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Ensure the school keeps the records of all pupils with SEN up to date
-

The SEND governor

The SEND governor will:

- Help to raise awareness of SEND issues at governing board meetings
- Monitor the quality and effectiveness of SEN and disability provision within the school and update the governing board on this

- Work with the headteacher and SENDCO to determine the strategic development of the SEND policy and provision in the school

The Headteacher

The headteacher will:

- Work with the SENDCO and SEND governor to determine the strategic development of the SEND policy and provision in the school
- Have overall responsibility for the provision and progress of learners with SEN and/or a disability

Class teachers

Each class teacher is responsible for:

- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions and how they can be linked to classroom teaching
- Working with the SENDCO to review each pupil's progress and development and decide on any changes to provision
- Ensuring they follow this SEND policy

Our school currently provides additional and/or different provision for a range of needs, including:

Communication and interaction, for example, autistic spectrum disorder, Asperger's Syndrome, speech and language difficulties
