

EMMBROOK INFANT SCHOOL

Summary of the School Improvement Plan 2020-21

Ofsted: Quality of Education
Priority 1: To ensure GDS outcomes at the end of KS1 are at least 10% greater than National (Reading 40%, Maths 40%, Writing 30%).
Priority 2: To ensure the EYFS and KS1 settings offer strong language rich opportunities to all pupils across the environment.
Priority 3: To ensure the EIS Curriculum is broad, balance and relevant to its pupils and meets all the requirements laid out in the 2019 Ofsted Framework.
Priority 4: To ensure all teaching staff are planning and teaching a catch-up curriculum where necessary, in order for all pupils to achieve expected outcomes at the end of the academic year.
Ofsted: Leadership & Management
Priority 5: To ensure EIS is a fully committed member of the Schools Learning Alliance enabling best practice to be shared across member schools ensuring the highest outcomes for all pupils.
Priority 6: To ensure school governance remains outstanding and effective at driving strategic improvement.
Ofsted: Personal Development
Priority 7: To ensure the personal development of all pupils is given high priority by all staff so that all pupils can build strong and effective relationships, and are tolerant and respectful of others' choices.
Resources (Financial management)
Priority 8: To maintain and enhance the school environment and buildings.

Progress against our School Improvement Plan is reviewed at all governor meetings. Impact against the priorities is defined at the end of the academic year in consultation with members of the Governing Body.
