Creative Development

Please return homework by Wednesday 2nd December

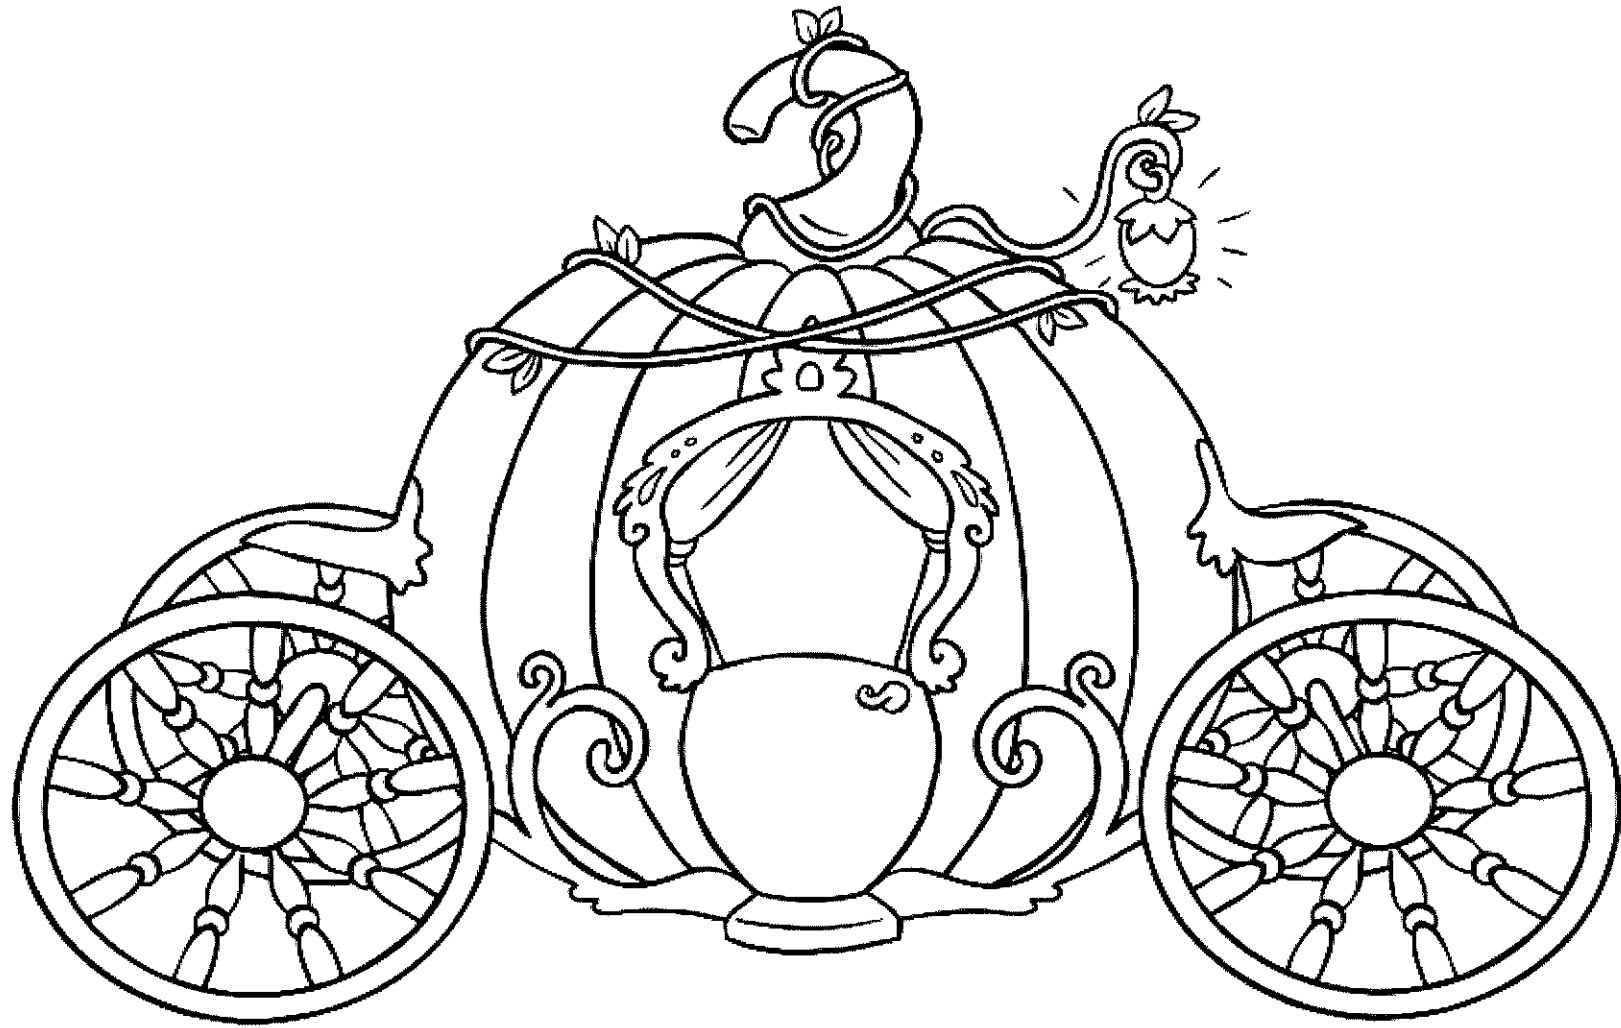

With our Nativity practises now well under way, we still had chance to read some wedding themed stories and carry out lots of themed learning based on weddings. Many thanks for all of the wedding photos sent into Nursery, the children loved showing off their family weddings with each other.

For homework this week, I have provided the children with Cinderella's carriage to be decorated using any media you would like. The grander it looks the better!

Many thanks,

Mrs Farrington
