Mathematical  
Development

**Please return homework by Wednesday 9th December**

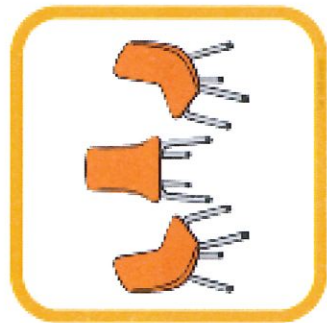

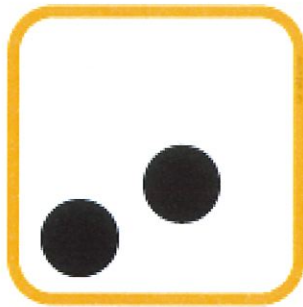

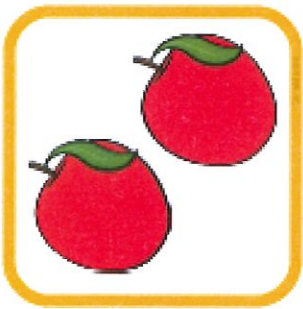

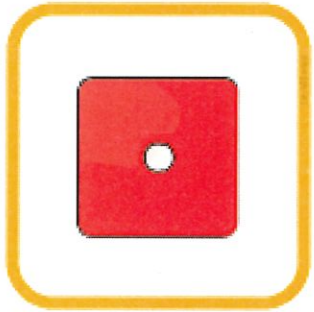

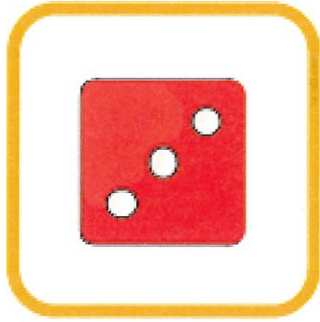

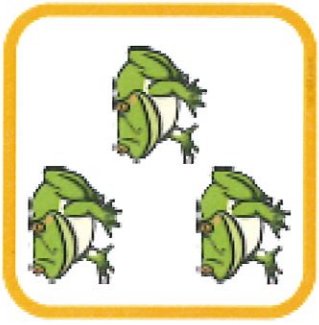

Our EYFS Nativity play has now been recorded and will be available for you to see very soon. All of the children really were little superstars and performed amazingly well!

This week we have also been learning about the number 3 and watched the Numberblocks story 'Three'. For home learning this week, I would like the children to look at the picture sheet and sort them out depending on their quantity. The children could repeat this activity many times as it will help them learn to instantly recognise groups of 1, 2 and 3 without the need to count!

Many thanks,

Mrs Farrington

**Parents/child comments:**

# 1, 2 and 3 Maths Sorting Activity

Can you sort 1, 2 and 3?

1 <b>one</b> 	2 <b>two</b> 	3 <b>three</b>
