Starts - 11 June Finishes – 23 July

## How will the course be taught?

Each module will be facilitated by a team of experienced Christian leaders. The sessions will be in English but support will be offered to those for whom this is a second language or who have learning needs like dyslexia.

## Who should apply?

This is an exciting opportunity both for those wanting to bring Christian leadership principles into their working and business life both inside and outside the church.

## Cost?

£200 for the full course, £100 of which must be paid before the course starts and is non refundable. The actual cost of the full course to DAI UK is about £1,000 per student so represents real value for money to each participant.
