

Construction winches

**BABY, BOY, MINILIFT**

# The powerful winches for building and renovation jobs

## Winch Baby

The small aid on site. A must for any tool box. To lift all kinds of loads. The BABY is small, lightweight and versatile. Control by push button on a 1.5 m long cable.

- Capacity 100 kg
- Hoisting speed 15 m/min
- Dead weight 18 kg
- Wire rope 20 m

## Winch Boy

To lift all kinds of load, i.e. blocks, concrete, screed, mortar, tiles, radiators etc. The BOY can be controlled by push button either at the winch or on ground.

- Capacity 200 kg
- Hoisting speed 19 m/min
- Dead weight 45 kg
- Wire rope 31 m

## Winch Minilift

Especially suitable for scaffolders. To be fixed to a scaffold tube at the ground. The lightweight pivot boom is fixed to the scaffold at the required height. Control by push button from the ground.

- Capacity 150 kg
- Two hoisting speeds 13/40 m/min
- Dead weight 49 kg
- Wire rope 54 m

## Accessories

There are various accessories to lift all kinds of load. Even lifting of bulky material is no problem. All products fit perfectly and correspond to the actual safety standards.

Hoisting ring for four buckets

Hoisting chain for scaffold elements

Mortar container 45kg

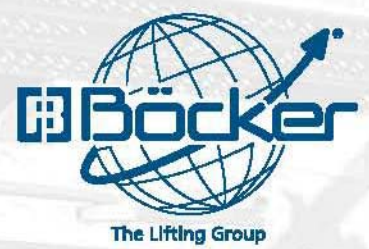

Lifting of scaffold elements

Hoisting chain for wheelbarrows

## Technical Data

Type	BABY	BOY	MINILIFT
Capacity [kg]	100	200	150
Hoisting speed [m/min]	15	19	13 / 40
Rope length, normal [m]	20	31	54
Rope diameter [mm]	3	5	4
Voltage [V/Hz]	230	230	230 / 50
Motor capacity [kW]	0.37	0.75	0.45 / 1.55
Fixing devices	Scaffold fixing device	Scaffold fixing device, steel tube bracing jack, window fastening device, three-leg-jib	Scaffold fixing device
Hoisting devices	Mortar container, hoisting ring for 4 buckets, hoisting chain for scaffold elements, carrier for buckets, hoisting chain for wheelbarrow	Mortar container, hoisting ring for 4 buckets, hoisting chain for scaffold elements, carrier for buckets, hoisting chain for wheelbarrow	Mortar container, hoisting ring for 4 buckets, hoisting chain for scaffold elements, carrier for buckets, hoisting chain for wheelbarrow
