**Parents are asked to check if the bedding is fire retardant.** This could be a foam sleeping roll or camp bed and blankets or a downie.

You will not need any cutlery, crockery or mugs etc.

Sports equipment will be provided at camp but footballs and frisbees etc. can be brought if children wish.

While children are free to bring personal possessions, we would advise against expensive items such as mobile phones, iPods etc. as these will be the responsibility of the children and are not covered by insurance.

Please ensure that any personal items of any value are clearly marked with the child's name.
