**Alabama State Troopers-  
Commander of the Executive Security Unit:**

December 1994- April 1, 1999  
**Commander of State Executive Security Unit:  
Chief of Security for Governor Fob James:**  
Duties and Responsibilities: Responsible for the personal security of Governor James and his immediate family. This included physical site security of the Governor's Mansion, as well as, his offices in the Capitol complex. Also included, security at any event location where he appeared. As Commander of the Executive Security Unit of the Alabama State Troopers, I was responsible for the security of other protectee's, which included, Lt. Governor, Speaker of the House, President Pro Tem of the State Senate, Attorney General, and the Chief Justice of the Alabama Supreme Court, as well as,

many visiting dignitaries, i.e., visiting State Governors, the President and Vice President of the United States and Congressional Delegations to name a few. I was responsible for event security, i.e., the United States Chief Justice Association's Convention, US/Japan Conference, US/Korean Conference and US/Mexican Gulf States Accord. As Commander, my duties also included security analysis, threat assessment, investigation of threats, physical site security, personal security of protectees, logistics, scheduling of personnel, budgetary management, supervision of personnel and time management. I worked very close with the United States Secret Service, FBI, United States Capitol Police, United States State Department, Executive Protection Details from all 50 states, Governor's staffs from other states, foreign Security Services (Japan, Korea, Israel, England, Canada and others). I worked closely with all other state agencies and provided security to designated protectees including Cabinet level protectees, Judges, and others.

**Alabama State Troopers-  
Assigned to the Alabama Bureau of Investigation-  
Criminal Investigative Service-Huntsville:**

January-1986-December-1994 Duties: Included conducting criminal investigations of all types, public corruption, rapes, robberies, threats, and homicides, "cold" or unsolved cases, background investigations and various special investigations across the state. During this period I worked closely with the FBI, USSS, and other federal agencies. I also worked several high profile cases. (Details available on request).

**Alabama State Troopers-  
Assigned to Director's Office-Intelligence Unit:**

June 1980-January 1986

Duties: Included-collecting information concerning the criminal activities of individuals and/or groups. This was done by development of informants, information from other officers or citizens, undercover operations and other investigative means.

**Alabama State Troopers-  
Assigned to the Highway Patrol Division:**

October 1975-June 1980

Duties: Included traffic law enforcement, investigation of accidents, assisting motorists and patrolling the roads and highways. I was a member of Special Operations Group and participated in many major events including natural disasters, (Hurricane Frederick), to man-made events such as union strikes and civil protests.
