PE at Pinner Wood

Dear Parents/Carers,

What an amazing year of PE and Sport it has been at Pinner Wood! We introduced the Pinner Wood mile in an attempt to increase every child's level of physical activity. The children have responded well and we will look at ways to continue to develop the Pinner Wood mile in our daily routine.

This year we had record numbers of children participate in before and after school clubs. Over 50% of pupils have participated in at least one club this year. We are really pleased the children are so enthusiastic towards these extra curricular opportunities and I plan to have even more opportunities next year to extend our reach to even more children.

PE Leader Pinner Wood School

Cricket Team at London Youth Games

We have had numerous teams represent the school in sports such as: Football, Netball, Tag Rugby, Cricket, Dodgeball, Swimming, Gymnastics and Athletics. Every child in these teams represented themselves and the school in the best way. They showcased great skill in their respective sport, amazing levels of sportsmanship and leadership.

PE at Pinner Wood

I would like to finish up by saying a big thank you to Parents and Carers who have supported the children throughout the year and have accommodated our requests for different pick up times from fixtures. Our PE program would not run as smoothly without your help. Thanks also to the amazing team at PW who have led clubs and sports this year.

As well as inter-school competition, we have held intra-house competitions. Our Dodgeball competition is always a highlight and this year did not disappoint. Emerald were our overall winners after a tie-break match between the Year 6's from Sapphire and Emerald. Our year of sport and competition culminated with Sports Day. We had another fantastic day of participation across the whole school and I was particularly impressed to see the Year 6's step up and show their leadership qualities to help some of the younger children. Congratulations Topaz on your well-deserved victory!
