End of Summer Term 2019

What a Year!

Dear Parents and Carers,

Another year has flown by and we certainly have packed a lot into it! We are so proud of our hard-working pupils who have achieved so many great things this year. Our main focus has been on the wider curriculum and ensuring that we provide exciting, motivating and engaging opportunities in all areas of the school. Our 'Happy Birthday Pinner Wood Assembly' was credit to what we have achieved, with celebrations of music, sport and learning across the curriculum. This work will continue next year and you will see more 'Project Based Learning' at Pinner Wood. However, of course English and maths will always come first, as without the basic skills children cannot engage in other learning. We are pleased with the achievements the children have made in these areas (as highlighted in our fabulous results) and the progress we have seen in the children's books.

The overall behavior has been exceptional and as a reward today the children were treated to a surprise concert from X-factor winners Raksu. I cannot describe the excitement here! Thank you to Mrs Ellett for organising.

We hope that you have enjoyed all our family focused events in school in the last few weeks and thank you if you have been able to be part of them.

As always, I want to say thank you to the amazing team of Pinner Wood Staff for their continued support and dedication to making PW the best place to learn.

Please look at our Twitter page for more information of these events @PinnerWoodSch
