Welcome Back

Dear Parents and Carers,

Welcome back! I really hope that you had a great summer with your children. It has been a productive summer at Pinner Wood. You will notice our new gates that add to our site security. The Nursery now has a beautiful sensory garden; this is due to a successful bid by Mrs Bretayne and thanks to Carl's (Site Manager) hard work over the summer. We know our youngest children are going to have so much fun in it. The field has been re-done and, thanks to a lot of rain over the summer (!), it is growing well. It should be up and ready for use later in the year.

A very warm welcome to our new children and their families; we wish you a happy time at Pinner Wood. Also welcome to our fantastic new staff (more details below).

Thanks to all of you who filled in our family survey before the summer. Once again the results were very positive. I have sent out the results and considerations made.

We have a lot of family events planned for this year and our first is our International Evening on Friday 20th September from 5.30 -7.00pm. This is a lovely way for us to come together as a school, share some delicious food and to meet our new families! We hope that you can join us and bring a dish to share.

Miss Sarah Marriott

Pinner Wood Golden Rules

Over the next month we will be revising our Pinner Wood Golden Rules with the children and sharing great examples of 'Pinner Wood Behaviour.' Please feel free to share these at home too. They can be found on our website:

Parking

Please can we kindly remind you to be considerate when dropping off and picking up from school.

We receive numerous complaints about people being inconsiderate and causing danger.

Sadly, there are limited enforcements we can make but I would hope that we **are all working together for the safety of all children.**

DO NOT PARK on yellow lines, crossings or the roundabout.

We will have no choice but to name and shame offenders.
