Easter Update – Friday 3rd April 2020

Easter Holidays?

Dear Parents/Carers,

I write to you as we break up for our 'Easter holidays'. What a strange feeling it is – how I have missed what should have been the week of the Year 3/4 show, class trips and Easter activities. These days will come again and we will definitely appreciate them even more than we did!

I know it won't feel like a normal 'holiday' but I do want both pupils and staff to have a break from the daily routine. I think there will be more weeks of this ahead, so it is important that we pace ourselves. As usual in a holiday, DB primary will be turned off for two weeks (from Monday after this week's feedback is given) and we will set an optional Digital Detox work (see attached). We might not be able to go out and experience things this holiday, but I challenge you to try and do something nice with your family? – that could be as elaborate as camping in the garden or having an Easter egg hunt around your flat. As I said this week – 'Saturday Cinema Night' is fast becoming a new 'lock down' tradition in our house. Also, with all this time – maybe it is a good time for children to tidy their room or sort a cupboard? There are many projects on my list, still to be tackled!

Our 'skeleton school' will remain open for children who have been attending and this will run over the Bank Holidays too.

The office will close for the two weeks. In emergency cases, someone will answer the office email office@pinnerwood.harrow.sch.uk.

Please can I take this opportunity to thank all of our Pinner Wood community for all of your support over the last few weeks. Not only our teachers, pupils and parents but our site team, cleaners and cooks who have all worked so hard in this ever changing World.

Wishing you a happy and safe break.

Miss Marriott

Digital Detox

The challenge is to create a school for the future (see attached) – I look forward to seeing your ideas.

We have also set a range of Easter/Spring time activities – can we start an egg hunt in people's windows around our area?

Miss Margrave has also recorded a 'chasing tale' to write or perform.

Website - Resources

So as not to bombard you with e-mails we are trying to put all resources in one place.

Our Subject Leaders have come up with a list of useful websites to try, these can be found on the Pinner Wood Website under 'Lockdown resources.

<https://pinnerwood.harrow.sch.uk/lockdownactivities/>

Learning – DB learning/tapestry will resume on Monday 20th April – we have discussed ways to ensure we are setting a bit more and covering other areas of the curriculum. This will be explained then.

Facebook – Please continue to use our **PWS Facebook page** to share any resources or ideas. Our latest assembly and song are now on there. We will not comment over the holidays but look forward to seeing everything when we are back.
