

# Friday update

Please see attached letter from Public Health Harrow regarding COVID-19 and seasonal coughs and colds

Thank you to all of those who attended our virtual parents/carer's evening - it was a great success!

Thanks to our staff for embracing the new challenge.

If you did not sign up, the class teacher will contact you over the next two weeks to update you on your child's progress.

## Last session pick up times

Those children in the last pick up group (S-Z surname) your pickup time is 3:20pm-3:30pm.

Doors will be closed at 3:30pm, so please aim to have collected your child by 3:25pm.

Any children not collected by 3@30pm will go round to the late door.

You will need to come to main reception where they will be signed out as late collection.

We recognise there was some confusion with this last week, but have clarified our process in school.

If your child has a positive test over the weekend, please ensure you email us: [office@pinnerwood.harrow.sch.uk](mailto:office@pinnerwood.harrow.sch.uk) with the subject **COVID POSITIVE**

This email will not be checked for any other reasons, but in the case of a positive result we would want to make the necessary plans for Monday morning.

Today's Assembly is now on the website - please take a look

Thank you if you have signed up for next Tuesday's Zoom - Our Pinner Wood Plan. Bookings have now closed but the code will be sent to the group on Tuesday morning.

## Our Pinner Wood Plan

We are hoping to bring back a limited amount of clubs - please see the parent mail that went out today.

'11+ Exam Entry Success' were handing out leaflets outside the school this morning. They did this without the Headteachers permissions - we do not know or endorse this company.

Attendance this week has gone up again to 97.3%. This is an improvement on last week. The testing system is more easily accessible and results returned faster than previous weeks.

What a great day today for Hello Yellow day.

Thank you for the donations, the children have had fun planting their bulbs/seeds and learning about looking after their own mental health.

A Parent Governor parentmail went out on Tuesday. Please sign up to the virtual meeting if you are interested in applying for the role.
