

Friday update

Reminder for the Governor virtual coffee morning on Friday 23rd October at 9:30am

[Click here to sign up for the coffee morning](#)

The zoom code will be sent to those that sign up by the end of today

After half term we will switch to winter uniform (no summer dresses/shorts) - the weather has taken us there already!

We are trying to keep the school well ventilated so this means some rooms are a bit colder than usual. Please encourage your child to wear lots of layers e.g. vest, long sleeved top under uniform

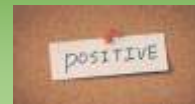

Thank you to all those that attended this week's **PW Vision** virtual event and for the positive feedback.

[Click here to view the slides from the meeting](#)

As always, if your child has a positive test over the weekend, please ensure you email us: office@pinnerwood.harrow.sch.uk with the subject **COVID POSITIVE**

This email will not be checked for any other reasons, but in the case of a positive result we would want to make the necessary plans for Monday morning.

All club links have been sent out via ParentMail to the specific year groups.

As a change to our uniform policy and taking this year into account we will temporarily allow pupils to wear boots. These **MUST** be black, flat and only to the ankle.

Ugg style boots, knee high boots and fashion boots (large buckles/DM style boots) **are not permitted**

Funweeks holiday club - October half term

Bookings are now open!

[Click here to book](#)

Attendance this week has gone up again to 97.4%. Another improvement on last week.

Message to Year 6 Families

As you can imagine teachers are very busy at the moment. This year we have taken the decision not to write individual pupil references for independent schools. Instead, we are encouraging you to use their end of Year 5 report. This policy is in line with other Harrow schools - thank you for your understanding.

When the time comes to think about transition, we will of course provide information about your child to their next school.

On Tuesday 20th October we will be working with a film company to make a short film about Pinner Wood. The plan is to put this on our website so prospective families can view - in absence of tours this year. It will be a similar style to the one [found here](#).

We will be filming pupils in their classrooms/around school and will only use those children we already have consent to have pictures on the website.

If you would like any further information or do not wish for your child to be involved (and we already have consent) please email us: office@pinnerwood.harrow.sch.uk before Monday 19th October
