Message from the Head Squad

This week at Pinner Wood we shared our Remembrance Day assembly! Some Year 6's have read their stunning poems throughout the assembly and the Miss Thomas played The Last Post before the 2 minute silence. After the silence, Miss Thomas played The Reveille on the trumpet!

In the school we have also been doing Science experiments on the subject that we have been chosen for. In Year 6, we have been focusing on light and how it travels. Next week, the whole school will be doing geography! Over all it has been a fun and interesting week.
