

# Friday Update

## Miss M's Weekend Challenge

I know that weekends are going to feel a bit different over the next few weeks. To give children something to do (if they want to) we will put together an optional challenge each week. If they would like to complete it - please share on seesaw and I will share the results in assembly each week.

## Photo Reminder - Monday

We believe this can happen in a safe way whilst pupils remain in bubbles so are going ahead. All children - please wear full school uniform.

## Reminder - First 'PW Birthday Bunch' next Friday 13<sup>th</sup> November

If your child has had a birthday from 1st September up to and including 13th November, they can wear their own clothes/ party clothes to school on Friday. Please make sure anything worn is suitable to go outside.

## Library

We will start using the library again next week in a safe way. Please make sure you look after our books. Any damaged/ lost books will be charged for.

## Covid guidance updates

New guidance has been received for schools this week. We have put these in place and there are not many changes - an updated version of our Risk Assessment will be on our website next week.

[Click here to check out the slides from our Friday Assembly this week](#)

## Attendance

Another great week for attendance at 97%

Thank you for everyone who has supported our safe measures this week and worn a face covering when picking up/ dropping off. We know this is not a current national requirement but want to do all we can to keep our community safe and our school open - we appreciate your support.

**THANK YOU!**

## Name our values characters challenge

In the spring we will be launching the PW values. We have worked hard to design these but before the 'big launch' we need names for the characters. The school council have been tasked with collecting ideas - your child may want to think about this over the weekend

We want YOU to name the characters using alliteration

Meet...Bee, Bird, Hedgehog, Badger, Squirrel and Owl!

Please look at yesterday's newsletter for further info.
