

Friday Update

Breakfast/After School Club Update

For a number of factors including demand, staffing and safety we have decided not to open the B&ASC until January. I recognise that this will cause some families inconvenience and apologise for this. We will communicate with our B&ASC families next week about the plans going forward.

Autumn Behaviour Certificates

These will go out next week. Well done if your child got one - a really great achievement.

Christmas jumper day

Please see attached poster from the FPW regarding Christmas jumper/accessory day on Wednesday 16th December

PW Wall of Thanks

There has been so much negativity in the World at the moment but we want to change that inside PW. If you have something nice to say to anyone of our team or the children - please e-mail or send it in and we will add it to our wall. The children have been writing notes in Mrs Bretayne's assemblies this week too. Thank you to the families who have already done this - it means so much to us at this time.

Teaching Assistant Position

Level 3 (related to education) or degree level qualification - we are looking for a dynamic teaching assistant to join our Year 5 & 6 team from January. They will be supporting the class but also leading groups in these years - so subject knowledge to this level is essential. It is a great opportunity for a graduate wanting experience before going on to teach or a person looking for a change in career. If you or know someone who is interested please see our advert [here](#).

REMINDER

School closes on Thursday 17th December at the usual time.

Seesaw guides

Please check out information on the website for guides on Seesaw [here](#).

Safety reminder

We want to keep pupils as safe as possible.

- Children isolating should not have contact with other households (unless shared responsibility)
- Follow the Tier 2 rules - Harrow is in Tier 2
- Remember to get family members displaying symptoms tested as soon as possible
- Do not send your child into school if they are displaying symptoms
- Wrap up warm, classroom windows are open for ventilation, children can wear winter boots - trainers only on PE days

A Huge Well Done and Thank You

to all the children ending their isolation today. You have been amazing - we are so proud of the way you have shown strength through positivity, in the most challenging of circumstances. It has been great to see you on ZOOM but we look forward to seeing you in real life next week. Well done to the team on the wonderful remote learning offered, it was great to see you teaching and also having lots of fun in your zoom meets - if you did not see it please see the survey results that came out this week and is on our website [here](#)

Weekend Challenge

This week's weekend challenge is the Winter lights trail - organised by the Friends of Pinner Wood

[Click here to check out the slides from our Friday Assembly this week](#)

Message from Year 6

This week, in Pinner Wood, we have been concluding our *Geography* Topic and some classes have been completing their Showstopper! Some classes have their Showstopper next week to conclude their unit of work. In year 6, our Showstopper will be to create a South American healthy dish.

Across the school, all classes took part in an RE day with an overarching Key Question. Our focus religions in Year 6, were Christianity and Hinduism. All of the year groups had different religions to focus on.

As a school, Miss Thomas has been delighted with the results of the Reading Challenge! Stay tuned to find out which classes won!

It has been incredible to see so many children on participating on zoom who are remote learning! We cannot wait to see them all back at PW again!

Prefect from Mercia: Zak, Safwa, Lynnelle and Edi
