

Friday Update

Friday 26th March 2021

Message from Year 6

Throughout this week we have had various activities in school. On Tuesday, we had a day of reflection as it had been a year since the first lockdown. We wanted to reflect how far we had come throughout this challenging year and think about what hopes we all have for a bright future. Did you know? The 23rd March also marked four years since Pinner Wood School had to relocate (for 9 months) due to the chalk mines!

That same Tuesday, a few members of Doriath class, Year 6 and Miss Marriot went on a socially distanced circuit around Montesole Park and Pinner Wood. It was set up by the Friends of Pinner Wood to help donate towards the Pinner Wood garden; if 150 or more people can complete the circuit (and upload photos to tapestry or seesaw), then the whole school will have a non-school uniform day! If you can complete the super challenge then you will be entered into a giveaway raffle to win a prize.

Also a quick reminder that on **Wednesday next week**, it will be the last full day before we break up for the Easter holidays at normal school time!
