

Rabbit Hole Statement on Re-Opening – July 2020

We are so excited that Stage 3 has finally arrived and we will be opening our indoor dining on Tuesday, July 21, 2020 on a limited capacity. With this great news we must address the health & safety guidelines Rabbit Hole will be enforcing to keep all of our staff and valued customers safe during this process.

All indoor dining will be by reservations only accessed on our website. No walk-ins will be allowed to be seated indoors. A maximum of 6 people per reservation will be allowed. There will be a maximum stay of 2 hours for each reservation. No exceptions. Please understand that our seating will be limited due to the social distancing guidelines we must follow. Rabbit Hole also requires ample time in-between reservations to properly sanitize each table.

All patio seating will be on a first come first serve basis. No reservations will be taken for patio seating. A maximum of 2 hours on the patio will also be applied.

For all guests who must enter the establishment please arrive with a mask on. If you do not have a mask, one will be provided for you. Customers dining inside must wear their mask at all times except when seated at their tables. All customers must remain seated during their dining experience. If a customer must visit our bathroom facilities or get up from the table to go outside, for any reason, they must be wearing their mask while walking through common areas of the establishment.

All guests entering the establishment will have their temperature taken upon arrival, they will be asked to sanitize their hands and must be wearing a mask. If any guest is showing any symptoms of COVID-19 upon arrival or during their visit, Rabbit Hole reserves the right to refuse entry to that customer or ask them to leave at any time. Please understand this is for everyone's health & safety benefit.

Rabbit Hole promises to uphold all cleaning and sanitizing measures to ensure your experience with us is an enjoyable one. We appreciate your understanding and patience with these guidelines and look forward to serving you all once again.

-The Rabbit Hole Team
