

“Free, Independent, Editorial-Led Local Newspapers Delivered To Every Letterbox”

Ulverston Now and Grange Now deliver all the news and advertisements from your area.

It's about the clubs you go to, the schools your children attend, your church, high street and your neighbourhood. The advertisers are the local firms and trades people who are based here and employ local people.

It's a great way to spread the word and to find out what's going on.

Advertise in a place that is seen in every single home in our area and is read from cover to cover.

“Because it's full of local news and stories, people read it from cover to cover, so your advert works harder for you.”
