Dear Parent/Carer of

Paperless Communication

We have noticed you have not yet downloaded the new free school MyEd App. From 1st January 2020 there will be only text communication via the App. If you don't download this App you will not receive any electronic notifications from school. As part of our ongoing process of improving home-school communication, we will eventually be adopting a paperless approach for the letters going home. With the growth in smartphones, tablets and computers we appreciate this is now the preferred method for many parents.

There are many other benefits for this reliable and quicker communication. Rather than sending paper consent letters home, we will be starting to send letters home via the MyEd App. You will also be able to pay for school trips and lunch via this App and also give consent for your child to attend trips.

Download this App and enable yourself to be kept up to date with everything going on in school. Just follow the simple steps below to get started.

What Parents/Guardians need to do:

Download our school MyEd App:

Go to app store

Search for My Ed

Download the App

Thank you for your continued support.

Yours sincerely

Mrs T Hockborn
School Business Manager

Please be aware that any change of mobile number needs to be shared with school immediately. We need to be able to have an up to date contact details with all parents and carers.
