1.2 The aim of the grants is to support projects that show a clear benefit to the residents of the Town.

2.0 Policy Statement

2.1 Community Grants will be awarded to support and encourage a diverse range of community activities across all age ranges, a wide range of interests, initiatives and events that help to meet the needs of the residents of Llangollen. In determining applications, the Town Council will give particular consideration as to how each proposal helps to meet the Town Council's objectives for the Town.

3.0 Criteria

3.1 Grants will normally be given only to

- Voluntary, charitable organisations or not for profit organisations, based in or serving the area of Llangollen.
- Individuals resident in or around Llangollen where the grant is for charitable or educational purposes and for the benefit of the residents of the Llangollen.

3.2 Grants will not be awarded to National Charities unless it can be demonstrated that the local branch will benefit directly. Written evidence must be provided.

3.3 Grants may be made:

- for capital purchases, in which case no more than one application may be made per project
- for one-off projects (which may include a combination of revenue and capital items), in which case no more than one application may be made per project

- for revenue support, in which case no more than one successful application may be made by any organisation (or group of related organisations) in any three-year period.
- 3.4 In exceptional cases only, the Town Council will consider requests for recurring revenue support from organisations which play a lasting and central role in the delivery of the Town Council's strategic objectives.
- 3.5 In the event that recurring support is granted the Town Council will normally reserve the right to withdraw support at the time of annual renewal or will apply alternative notice terms which will be specified on a case by case basis.
- 3.6 The Town Council will not normally provide grants for
- services that should be funded by other statutory authorities
 - political purposes
 - to supplement any shortfall in expenditure incurred by another authority with responsibility for the service involved.
- 3.7 All applicants must submit

 - Evidence that the project or endeavour for which a grant is sought is financially viable
 - Evidence that there is a real financial need for the grant
- 3.8 Organisational applicants must submit, in addition, accounts for the most recent financial year which should show that the accounts are well managed and the organisation as a whole is financially viable.
- 3.9 Applications will be considered by the Town Council, or any Committee with delegated authority. The Town Council cannot guarantee a grant to any organisation or individual. Each grant application is considered on its individual merits.
- 3.10 The Town Council will normally expect to distribute grants to a variety of organisations, this may mean a smaller amount is awarded than that applied for. The Town Council reserves the right to decline any application or to apply conditions to the grant.
- 3.11 The Town Council will require all organisations to provide a formal acknowledgement of receiving grant aid. In the case of individuals, the Town Council will require a report of the project or other agreed method of verifying the use for which application of grant was made.
- 3.12 When a grant is awarded, the Town Council also reserves the right to reclaim part or the entire grant if it is not satisfied that it has been spent in accordance with the application and/or conditions applied by the Town Council. It will only take this action after giving the organisation or individual any opportunity to make representations.
