

NEXT GEN GM

TECHNICAL ADVISER CHARTER

PURPOSE

Since its launch on 27 February 2018 the Next Gen GM has continued to grow worldwide through "helping members develop their knowledge and enhance their standing within their respective company". To continue to enhance the Next Gen GM there will be the appointment of the Next Gen GM Technical Adviser to help prepare technical content for the Next Gen GM members for the duration of a one year term.

QUALIFICATION

The Next Gen GM Technical Adviser has no qualification or criteria and ANY MEMBER can become the Next Gen GM Technical Adviser. Upon completion of a one year term the Next Gen GM Steering Committee member can request to become the Next Gen GM Technical Adviser or the co-founders can appoint the Next Gen GM Technical Adviser based on their enthusiasm and passion for the Global Mobility Industry.

RESPONSIBILITIES

The Next Gen GM Technical Adviser responsibilities will vary according to the needs of the Next Gen GM for the duration of a one year term. However, there is an expectation that the Next Gen GM Technical Adviser will adhere to five responsibilities for the duration of a one year term.

- The Next Gen GM Technical Adviser should act as an ambassador for the Next Gen GM and promote content to Global Mobility Professionals.
- The Next Gen GM Technical Adviser should provide advice and help prepare technical content for the duration of a one year term.
- The Next Gen GM Technical Adviser should attend the Next Gen GM Technical Adviser Meetings and only be absent twice for the duration of a one year term.
- The Next Gen GM Technical Adviser should attend the Next Gen GM Events or Webinars at least twice for the duration of a one year term.
- The Next Gen GM Technical Adviser should always have fun and be able to develop professionally for the duration of a one year term.

When the Next Gen GM Technical Adviser has completed the duration of a one year term, they can request to continue their role as the Next Gen GM Technical Advisor by request to the Next Gen GM co-founders. The Next Gen GM Technical Adviser will help prepare technical content for the Next Gen GM members that

fulfils the Next Gen GM aspiration of “helping members develop their knowledge and enhance their standing within their respective company.”
