Our Services

Foot Care

At The Foot Clinic we believe good foot care is fundamental to healthy feet. We aim to provide the highest quality foot treatment for all of our patients; supporting and maintaining normal functions and reducing pain.

We recommend regular check-ups. These can help keep the cost of your treatments down.

Over the years we have developed experience in all aspects of Podiatric care, but in certain cases we may refer patients to colleagues who have special skills in certain types of treatment.

Treatment and Services Offered

- Corn removal, callus reduction to hard and cracked skin areas
- Verruca and Wart treatments for children and adults
- In-growing nails - Nail surgery with use of local anaesthetics
- Nail reconstruction - for misshapen nails
- Bio-mechanics - Assessments leading to possible prescription of insoles and orthotics, offered to children and adults. Flat feet in children and heel pain, plus other conditions in adults may require this type of service.

Treatment & Charges

At the start of your treatment you will be provided with a treatment plan and an estimate of treatment cost.

You may be eligible to claim part or all of your treatment from your Medical insurer.

Keep Us Informed

We will ask you about your medical history and medication.

If you change address or telephone number please let us know as soon as possible. This keeps our records up-to-date and helps us improve our service to you.

Patient Care

As a professional caring Practice we take all necessary precautions to safeguard both patients and staff against blood borne infections.

We follow recommended best practice for the sanitation and sterilisation of medical devices and instruments.

Our Aim

We hope our Clinic has been equipped to create a comfortable and relaxing atmosphere in which to treat you.

We are always happy to hear your comments.
