ARK work to the following British Standards:

BS 7499: 2013 – the code of practice for organisations providing and managing security services.

BS 7984: 2008 - the code of practice for management, staffing and operation of organisations providing keyholding and response services.

BS 7858: 2012 - the code of practice for the security screening of staff. All our staff undergo criminal record checks, continuous employment checks, vetting and credit referencing and all operational staff hold SIA Front Line licences.
