## LANI M. DORNFELD CERTIFIED IN HEALTHCARE PRIVACY COMPLIANCE

Health Law Member Lani M. Dornfeld has recently been given the CHPC<sup>®</sup> designation (Certified in Healthcare Privacy Compliance) by the Compliance Certification Board (CCB<sup>®</sup>), an organization that has developed criteria to determine competence in the practice of compliance and ethics across various industries and specialty areas. The CCB<sup>®</sup> recognizes individuals meeting these criteria through its compliance certification programs and rigorous testing.

This designation adds additional heft to Lani's already robust knowledge of data privacy in the health care industry as well as her ability to assist healthcare providers and business associates with:

- Legal obligations under:
  - HIPAA
  - 42 CFR Part 2 (for substance use disorder treatment records)
  - State identity theft and breach notification laws
- Privacy and security:
  - Policies and procedures
  - Training
  - Breach incident response, investigation and reporting
- Response to government audits and investigations
- Business associate requirements and agreements
- Everyday questions and guidance

According to the CCB<sup>®</sup>, an individual Certified in Healthcare Privacy Compliance (CHPC<sup>®</sup>) is "someone with knowledge of relevant regulations and expertise in compliance processes sufficient to assist the healthcare industry in understanding and addressing legal obligations, and promote organizational integrity through the operation of effective compliance programs."\*
