## Mission

The mission of Celebration Christian Academy is helping students *win in life* through effective teaching and learning that are biblically sound, academically rigorous, socially engaged, and culturally relevant.

## Educational Philosophy

There is no contradiction between academic excellence and a Biblically centered education. As a representative of Jesus Christ, called to the care of his children, Celebration Christian Academy strives to be excellent in all things. Our program and activities are filtered through the worldview of our faith and belief in Jesus Christ. We believe the Bible to be the inspired Word of God and our source for absolute truth (2 Timothy 3:16).

Foundational to winning in life is a personal relationship with our Lord and Savior, Jesus Christ. The fruits of our Christian faith and biblical foundation as a school are students equipped to *win in life*, be defenders of our faith, and go out into the world to help others *win in life*. CCA is unabashedly a Christian school that is prepared also to compete academically with the best educational institutions our region has to offer, while setting ourselves apart as salt and light in the world. Our educational commitment is to students who can set the pace in whatever environment they find themselves, being exceptional in knowledge, speech, attitude, and heart.
