67th Annual Meeting

Santel's Annual Meeting will be held Monday, September 23rd with a meal beginning at 6pm followed by the business meeting at 7pm. The meeting will be held at the Woonsocket Community Center.

We currently have open positions on the Santel Board of Directors for our North and South districts. The election will be held at the Annual Meeting so you must attend to vote.

Completed petitions must be returned no later than 20 days in advance of the annual meeting date, which means they must be at our office by no later than 5pm on September 3rd. Petitions are available at 308 S Dumont Ave in Woonsocket, by emailing info@santel.coop, or by calling 796-4411.

Please contact us if you'd like to learn more about the roles and responsibilities that come with being a member of the Santel board.

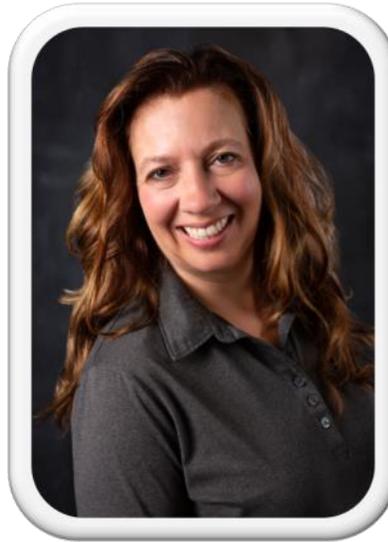

PO Box 67, Woonsocket, SD 57385

Office Hours: 8am-5pm Mon-Fri

Santel is an equal opportunity provider and employer.

Introducing Leah

Leah Scofield has recently joined the Santel team as a Customer Account Representative. Leah grew up on a farm near Flandreau as the oldest of five children and she currently lives in Woonsocket with her 8 year old son.

Leah previously worked for Dale Carnegie Training doing business to business sales of leadership, management and sales training. She then started working as a broker in the trucking industry which is what brought her to the Woonsocket area. Leah says she really enjoys living and working in Woonsocket as it's a great place to raise a child.

When Leah is not working, she spends time with her son at the pool, riding bikes, or playing chauffer to his many activities. She loves to read and is a member of a book club through the Woonsocket library. Regarding her work at Santel, Leah likes talking to people and helping to satisfy their telecom needs. The industry changes fast and she enjoys learning something new each day. She says her coworkers are great and it's a fun environment in which to work.

We are very happy to welcome Leah to our team!

Catch every touchdown from every game on every Sunday afternoon with NFL RedZone from the NFL Network. For just \$50, you get access to all the action for the entire NFL season. RedZone can be found on Santel channels 155(SD) and 699(HD), or you can also use your Santel subscription to log into the NFL website or NFL App using your PC, game station, tablet or mobile device. Call 796-4411 or email info@santel.coop to sign up now!

(WIC) Weather Information Channel To Be Discontinued

The Weather Information Channel, (Santel channel 2) will be discontinued by no later than August 31st. The technology used to provide that channel has reached end of life and will not be replaced.

We want to remind everyone that there are several great weather resources found with Santel Digital TV. There is **KELO-weather NOW** which is Santel channel 16 as well as **The Weather Channel** (Santel channel 15). Best of all, there is the **Weather App** which is always available by pressing the **RED** button on your remote control. From there you can see forecasts and up-to-date radar.

You can find a tutorial for the Weather App by pressing the "ON DEMAND" button on your remote and choosing "Santel TV How To" or at www.santel.coop/support/tv-support/.
