Video on Demand

Simply press the On Demand button on your remote to gain access to hundreds of popular movies, children's shows, music performances, and local events. Much of this programming is free for you to enjoy.

Restart TV

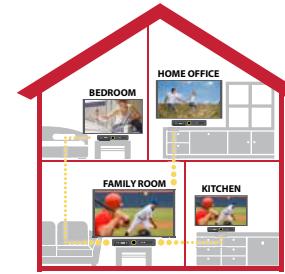

Did the show you wanted to watch start 10 minutes ago? No problem! You don't have to miss a thing. Restart TV allows you to push the green button on your remote to restart any program that's already in progress.

watchTVEverywhere

As a subscriber to Santel Digital TV, you have free access to watchTVEverywhere (WTVE), which streams many of your favorite channels and programming—including live TV and full episodes of current TV shows—to your tablet, smartphone, laptop, or PC. WTVE works from anywhere you have an internet connection. To see what's available, refer to our channel lineup or visit www.WTVE.net.

Whole-Home DVR

With Whole-Home DVR, you can watch recorded shows on any connected TV in your home and schedule and delete recordings from any room. You can also record a series to ensure you never miss an episode and pause and rewind live TV.

The Weather App

You'll always have 5-day forecasts and weather maps at your fingertips (and on your TV screen) with The Weather App.

Local School Channels

You'll be a fan of our Local School Channels! They allow you watch SD State Tournaments, DWU Tigers, USD Coyotes, and SDSU Jackrabbits athletics.
