

## ANDREW WEISZ

### EDUCATION

**BACHELOR OF ARTS: FILM** – HUMBOLDT STATE UNIVERSITY – ARCATA, CA  
Spring 2017.

### WORK HISTORY

#### **SOCIAL DISTANCE LEARNING CONSULTANT** – INDIVIDUAL – REMOTE

April 2020 – June 2020. During the COVID-19 pandemic, many were told to stay-at-home this included teachers. Many teachers during this time were accustomed to tradition in-class learning, so transitioning to an online setting was a huge challenge for them. As I learned how Google Classroom operated, I was able to assist teachers to setting up classwork. This included adding assignments, organizing classes, pre-recording lessons, and live chats with students.

#### **POST PRODUCTION TECHNICIAN** – FOTOKEM – LOS ANGELES

March 2020. Set up over 150 remote stations to keep multiple production companies afloat during the COVID-19 pandemic. After news broke for Los Angeles to stay-at-home, many companies still needed to finish projects. These remote stations made it so editors and producers can work from home. Setting up these remote stations required a lot of troubleshooting, installing software, and upgrading hardware such as memory.

#### **PRODUCTION ASSISTANT** – FREMANTLE NORTH AMERICA – BURBANK, CA

March 2020. America's Got Talent. Transferred media from production site to post-production offices. Worked next to DIT. Sent out remote stations to producers amid COVID-19 pandemic to keep post-production working remotely.

#### **PHOTOGRAPHER** – NAVAL AIR WARFARE CENTER WEAPONS DIVISION – CHINA LAKE, CA

February 2018 to November 2019. Acquired a security clearance. Collect high speed data to be reviewed for scientific research. Specialize in High Frame Rate averaging about 30,000 fps. Take stills of multiple test articles using a DSLR camera. Operated under the contract of Altus Technology Solutions.

#### **CO-DIRECTOR** – 50<sup>TH</sup> HUMBOLDT INTERNATIONAL FILM FESTIVAL – ARCATA, CA

August 2016 to May 2017. Public relations and historian for the original student-run film festival. Maintained website and social network publications. Digitized old programs, flyers, and films to be shared on a variety of media. Featured in Humboldt State University Magazine. Assisted other directors and students to view and judge films for festival selection.

#### **PRODUCTION INTERN** – PBS NORTH COAST (*KEET-TV*) – EUREKA, CA

September 2015 to May 2016. Worked on a live show called "Homework Hotline", a 30 minute segment to help kids and young adults with their math and science homework. Worked on the bi-annual live auction fundraiser. Worked on the live remote broadcast of the Rhododendron Parade in Eureka. Over 100 hours of live productions: camera, server graphics, audio mixing, production assistant, associate director.
