

Lifetime Warranty Policy

DFS warrants to the original purchaser of any UtiliGuard® Power Quality System for the life of the product, that the UtiliGuard® Power Quality System shall be free of defects in design, assembly, material, or workmanship, and will repair or replace, at its option, any defective UtiliGuard® product free of charge.

UtiliGuard® Power Quality Systems

LIFETIME WARRANTY

Should the UtiliGuard® Power Quality System fail for any reason, DFS will replace the unit free of charge as long as you own the business serviced by the system.
