SUMMER 2016

MESSAGE FROM OUR CEO

On behalf of the Board of Directors, Supervisory Committee and Staff of PTCCU, I would like to wish you a safe and enjoyable summer. All of us at PTCCU would like to thank you for giving us the opportunity to serve you throughout every season of the year. We remain committed to providing the professional and friendly service you have come to depend on, and we will continue to develop new products and services to enhance your ability to meet your present and future financial needs. Each season brings changes and this summer is no different. At home it's time to get the lawnmower out and ready to go. At the credit union it is technology that drives much of the changes. At PTCCU we are not big enough to be a leader in many of the new technologies, but we try to introduce them when it is financially feasible and security concerns are answered. We are presently looking to upgrade our computers system which will enable us to provide new or enhanced services, we currently cannot provide. PTCCU is committed to provide the products and services all our members expect.
