**STAR SPANGLED WHIZ
2021 COOLED SHIPPED SEMEN AGREEMENT**

I hereby agree on the _____ day of _____, 202__ to breed the mare, _____, reg # _____ to the stallion **STAR SPANGLED WHIZ, AQHA 4207212** for the **2021** breeding season for the breeding fee of **\$1,000.00**, which consists of the non-refundable booking fee of **\$500.00**, due at the completion of this contract, and the Stud fee of **\$500.00**, due prior to ordering semen. Semen collection and processing fees are due prior to collection. If the charges are not paid in full, semen will not be sent. A copy of the registration papers on your mare must accompany this contract. The owner recorded on the registration papers will be the owner recorded on the stallion breeding report, unless an executed copy of the breeding lease accompanies this contract.

Mares on the premises of Tom McCutcheon Reining Horses, Inc (TMRH) will have a breeding priority on any given breeding day. Therefore, we make no guarantee that cooled semen will be available for transportation on any specific day. TMRH collects stallions on an every-other-day basis beginning February 1st through July 15th.

This contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If a pregnancy fails or the foal does not meet the prior stated description, return privileges are permitted if TMRH is notified within thirty (30) days and receives a statement from the diagnosing, licensed veterinarian confirming this. The Mare Owner is entitled to rebreed for the following season only. TMRH may require the rebreeding to be performed at TMRH and the Mare Owner agrees to pay mare care and other normal expenses relative to the breeding. There is a rebooking charge of **\$500.00** plus any additional shipping fees. A substitute mare may be used if the original mare is deceased or deemed unfit for breeding by a licensed attending veterinarian once TMRH is notified of the change. TMRH reserves the right to require a substitution if the mare fails to settle or is deemed unfit or breeding.

One Breeders Certificate will be issued for one (1) foal conceived as a result of the breeding. Should multiple embryos or foals be produced, via insemination or ICSI, it is at the discretion of TMRH and stallion owner for further contracts and fees to register foals. It is the duty of the owner to inform TMRH of the pregnancy status of the mare and mare owner will be required to pay all late fee registrations should mare owner not inform TMRH in writing before the stallion report deadline each year. The Breeders Certificate will be issued only after all expenses have been paid in full. It is the duty of the mare owner to let TMRH know of use of frozen embryos.

In the event the stallion dies, is unavailable, or becomes unfit for service, this Agreement will immediately terminate. Refunds of Stud Fee will be given at the sole discretion of the Stallion Owner. Booking Fees are non-refundable.
