

Steps for Giving to the New Connections Campaign using VANCO:

Step 1: Go to the New Connections website and select GIVE.

<http://www.newconnectionsmetrodc.com/give.html>

This will take you to the **Synod's webpage** for giving.

[MetroDC ELCA Giving through Synod Website](#)

Step 2: If you have a Synod account, **log in**.

Step 3: If you don't, create a profile (Right Hand side of Page - click on Create a Profile button) and log in.

Step 4: Locate New Connections Campaign - it is an option under Mission Support which is the first category of giving (confusing, I know and we will change it to have its own link off of a New Connections Campaign website).

Step 5: Type in the **amount** you want to donate (if it is monthly, enter that amount. If it is a one-time donation, enter that amount)

Step 6: Choose the **Donation Frequency** (e.g., weekly, monthly)

Step 7: Choose **Donation Start Date**.

Step 8: Press Continue

Step 9: Fill out Donation Information

Step 10: You either select a **payment method** that you already have or fill in the blanks for the payment method that you prefer. **Please note that credit card payments do charge a fee based on the amount of giving** which is deducted from the amount pledged each month (vice added on top of the pledge). Checking account payments have no fee.

Step 11: Make sure you check I am not a robot :-)

Step 12: Select Continue

Thank you! We hope you experience joy in your giving to the New Connections Campaign!!
