1. INTRODUCTION

The discipline of Working Equitation was created with the objective of promoting the different types of equitation techniques developed in countries that use the horse to work on the farm.

The aim is to preserve and perpetuate not only this type of equitation but also the cultural traditions of each country and their horses.

The four founding countries of Working Equitation are Portugal, Spain, France and Italy. This discipline is now practised in many countries like Sweden, Germany, United Kingdom, Brazil, USA and Australia. Each country has its own rules but the rules for International competitions are the same for all countries.

This framework has been created with our country's riders and working traditions in mind and is based on the rules and the Australian Protocol of WAVE to provide a foundation for Australian working equitation Judges to be comparative on an international level.

1.1 Purpose

Since the introduction of the sport of working equitation in Australia we have had tremendous leadership in the development of our Judges. This framework is to capture all the work that has been occurred and ensure we have the capability to monitor and continue to develop our Judges into the future up to International level.

1.2 Scope

The ANWE Judge Accreditation Framework has been developed to support ANWE State affiliates, Clubs and Judges to consistently promote and develop the sport of working equitation in Australia.

All Clubs and State affiliates are required to support and develop ANWE Judges through the implementation and review of the ANWE Judge Accreditation Framework. Individual Judges are required to fully understand and fulfil the requirements of the Framework to maintain Accreditation in Australia.

2. CODE OF CONDUCT

Accredited ANWE Judges must adhere to:

- a) the ANWEL Code of Conduct
- b) all ANWEL policies, rules and regulations
- c) FEI Code of Conduct for the Welfare of the Horse applying it to all ANWE activities
- d) the current approved versions of the ANWEL Working Equitation Official and Participant Rulebooks

ANWEL approved Rule Books must be used for all Judge Accreditation and training activities. It is recommended that all Judges have available a copy of the Rulebook and any supporting documents while judging ANWE events.

3. EDUCATION AND PERFORMANCE COMMITTEE

The Education and Performance Committee (EPC) is a subcommittee of the Board of ANWEL and exists to assist in fulfilling its oversight and responsibilities relating to the development of working equitation judges, coaches and competition.

3.1 Authority

The Board has authorised the EPC within the scope of their duties and responsibilities as set out in its Terms of Reference to perform the activities required to address its responsibilities and make recommendations to the Board.

- liaising with the ANWEL Technical Subcommittee to ensure alignment
- attracting coaches with the necessary experience, skills and passion to become Committee members from time to time regardless of their accreditation level.

3.3 Technical Sub Committee

The EPC will collaborate with the ANWE Technical Sub Committee (TSC) to ensure the Judges Handbook is accurately aligned to the Official Rule Books.

4. NATIONAL JUDGE COORDINATOR

The EPC will recommend to the Board the appointment of the ANWE National Judge Coordinator. The ANWE Board approves the appointment of the ANWE National Judge Coordinator.

- in collaboration with the TSC, provide technical support to ANWE Judges and Organising Committee's on rule interpretation (as required).

5. HOW TO BECOME AN ANWE JUDGE

ANWE members that would like to become a Judge should contact their local Club to express their interest.

ANWE Clubs must make an application to host a Judge Education Clinic to their relevant ANWE State affiliate. Application forms are located on the ANWE website www.anwe.org.au .

Judge Education Clinics are designed to equip experienced working equitation enthusiasts with the skills and knowledge to fairly and consistently judge at ANWE events. Application for ANWE Judge Accreditation can be submitted on the successful completion of the following:

- Open book pre-course examination - written
- Participation in a two-day theory and practical Judge education session facilitated by an Accredited ANWE Judge Educator
- Judge examination at the conclusion of the clinic - written

If a Club is unable to host a Judge Education Clinic, interested members should contact their State affiliate to confirm when the next Judge Education Clinic is scheduled.

5.1 Judge and Judge Educator database

The EPC will publish and maintain the ANWE Judges Database.

This will be hosted on the ANWE website www.anwe.org.au .

The database will list all Australian Judges and Judge Educators, their contact details and due dates for Accreditation renewal.

12. COMPETITION JUDGES

It is the goal of ANWEL that all Judges will be ANWE Accredited for all phases of working equitation in Australia. It is acknowledged however that this will need to be achieved over the next two to three years to enable incorporation of:

- ANWE Accredited Dressage Judges
- ANWE Accredited Cattle Judges
- International Accredited Judges

12.1 Dressage Judges

ANWE currently recommends that all official competitions and championships have Equestrian Australia (EA) qualified Dressage judges to officiate over the Dressage phase of working equitation in Australia.

12.2 Maneability and Speed Judges

All ANWE official competitions and championships must have an ANWE Accredited Judge officiate over the Maneability and Speed phases of working equitation in Australia.

12.3 Cattle Judges

It is recommended that Working Cattle Judges hold ANWE Judge Accreditation to ensure they are knowledgeable of the principles and rules of working equitation in Australia.

Cattle Judges at an ANWE event must have experience in working cattle and be capable of making proper assessment regarding the safety and welfare of horse, rider and beast.

Cattle Judges at an ANWE event must ensure a rider's brief has been conducted for the Cattle phase of working equitation events in Australia. It is the Cattle Judge responsibility to ensure all competitors are aware of the rules, and how the Judge will notify a competitor to stop if required. This is an important requirement that is aimed at ensuring the welfare of cattle, horse and rider (reference ANWEL Rule Book 17.11.1).
