Hello Lone Pine!

Spring is almost here! We have had some very challenging weather in February. The course was under water most of the month preventing cart usage on the warm days. The last rain was almost 3 inches followed by snow and a melt. Brian has been working very hard cleaning all the debris left by the flood. It is very frustrating to have a 75 degree day in February and not be able to use carts, but, hopefully, we will all be patient and be out on the course very soon.

The Golf Shop will be receiving new product soon and will be fully stocked by the beginning of the season. From clothing to equipment to accessories, we can supply all of your golfing needs. We will match equipment prices with all major off-course retail stores. Discounts are available for large quantity orders so please keep us in mind when ordering logo balls and logo apparel for your company. We will also have Demo days in April and May. This is a great way to test all of the latest equipment. The Golf Shop at Lone Pine Country Club is here to provide a total golf experience for the membership.

Please keep your eyes open for Golf Shop Reminders this month. I will have postings for the May Ladies' Clinic dates as well as upcoming events and new clothing arrivals in the shop. My goal is to make sure everyone is well informed on the happenings at Lone Pine.

Spring Aerification will be scheduled according to weather and course conditions. Brian will not be pulling cores like we do in the Fall so the healing process will be very fast. The greens will be back to normal in a week or so. Hopefully Brian can get an early start so he can have the course in prime shape by April.

Once again thank you for all your support. Please feel free to give me a call or stop by the Golf Shop if you have any suggestions that could enhance the Club. My door is always open.

“From the Kitchen”

Hello –

March is a month of considerable frustration. It is so near to Spring and yet across a great deal of the country, the weather is still so violent and changeable that activity in our club seems light years away. March 2, 1904 – Theodor Geisel was born. Better known as Dr. Seuss. Among many things he accomplished and posthumous honors, he was responsible for “National Read Across America” Day. Best known for the 60 children’s books he wrote, and to me, a true master of words. The top five Dr. Seuss quotes I live by are as follows:

Be who you are and say what you feel because those who mind don’t matter and those who matter don’t mind.

You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose.

Unless someone like you cares a whole awful lot, nothing is going to get better. It’s Not!

We are all a little weird and life’s a little weird, and when we find someone whose weirdness is compatible with ours, we join up with them and fall in mutual weirdness and call it love.

When something bad happens, you have three choices. You can either let it define you, let it destroy you, or you can let it strengthen you.

On to something new. The new Grille Room menu is projected to start on March 14. This year’s garden plants will be selected and started. A new greenhouse will be erected at the end of March. Date Nite will be March 16, and I am proposing one more Wine Tasting, if there is enough interest. E-mail me and let me know if there is another one wanted this year. “Wednesday Nite” will remain on the same rotation. If someone has any suggestions to add to the Wednesday rotation, E-mail me! Sunday Brunch is entering its last month. For those who don’t know, we have enhanced the Brunch by adding fresh roast Prime Rib and a FREE morning themed cocktail to those who are of the proper age.

One final Seussism: “Sometimes you will never know the value of a moment until it becomes a memory.”

To All, Take Care,

P.S. Next month, Jordan will write this column. I will take a break and see how he writes.

CHILI COOK OFF RECAP

MESSAGE FROM THE OFFICE:

The Chili Cook-off fundraiser for Washington Co. Habitat for Humanity was a huge success. My thanks to our members and their friends for a great turnout. A special thank you to Michele Rose and Peggy Thornburg, and the entire Ladies’ Golf Association, and Frank Dobbin and the Bandits who worked so hard in getting the many donations and an array of baskets for the Chinese Auction. Through their efforts, the event raised \$4300.00 for a very worthy cause, in addition to the generous donations of household items for distribution. Mark Twyford, Executive Director of the Washington Co. Habitat for Humanity graciously accepted our donation.

Grand Champion—Kerrin Mcllvaine, 1st Runner Up—Gary Thornburg & Matt Falosk and 2nd Runner up—Scott Armstrong. Thanks to the cook-off participants who made the pots of chili—Gary Thornburg, Kerrin Mcllvaine, Lauren

(Billie) Hyland, Phil Armstrong, Scott Armstrong, Matt Falosk, Cory Ward and Chef’s Chili prepared by Bob Armstrong.

To Chef Duane who received food donations from Albano’s Wholesale Produce, C.A. Curtze Co., Reinhart Food Service, and US Foods, Inc., so we were able to donate all proceeds from the food sales to the event.

My sincere thanks to all,

Randy Liebig, General Manager
