September is here and the greens are healing great after aerification. Brian has done a great job getting the greens and course in shape and the weather has been cooperating. Let's keep our fingers crossed for an awesome Fall run!

The Men's Best 3 of 4 will be held this Saturday, September 1st. The Shotgun start is at 9:00AM with breakfast before. Please call the Golf Shop if you would like to play.

Member Appreciation Day is Labor Day Monday. All Guests play for a cart fee. We had a great turn out last year. It is a perfect day to show off our course to your guests. Tee Times are required so please call the Golf Shop to make a tee time.

The Hit & Giggle Finale is scheduled for Friday, September 7th. We have had a few rain outs this season but overall we have had great participation so let's finish strong. The shotgun is at 5:30PM. Please sign-up in Golf Shop.

We have changed the Player's Cup for this year. To increase participation we are opening it to all golf members. The format will be Best 1 of 2 matches on Saturday and singles matches on Sunday. The shotgun is at 9:00AM Saturday, September 15th & Sunday, September 16th with breakfast before each day. Entry fee is \$45. Please sign-up in the Golf Shop.

“From the Course”

Fall is just around the corner although with the current weather pattern we wouldn't know it. The greens have healed in nicely from aerification and that will make for a great fall for golf. With the greens now healed we will continue working on some course improvement projects. The fairway bunker on #11 is ready for sand and will be finished in the coming weeks. We will also continue to move soil to fill in the bunker left of 16 green. It will be seeded and grown in before the end of the growing season.

We will begin to remark the edges of greens and collars. Over the season both edges become out of line by the daily mowing of the triplex mowers. You may notice that some collars are very skinny while 10 feet away it may be twice as wide. We will mark the correct edges with paint as a guide for the mowers and bring them back to the correct place. The last change around the greens will be a step cut around the collar on every green. We will continue the step cut that is around the fairways and continue it around the greens. This will improve the lie just off the collar.

See you on the course!

Brian Leichliter—Course Superintendent

WELCOME FALL!

“From the Kitchen”

Hello,

A transition, by definition, means you start in one place and finish in another. Why transition you may ask? Well, September is a month of transition. It starts with summer and ends with fall.

While growing up and during her first marriage, my wife was no stranger to domestic violence. Coupled with the early part of my life, also being no stranger to domestic violence, it's no wonder that when we were in the position to “Give Back” we selected domestic violence as our cause. And, with my father being a 25 year man, his influence will motivate us to branch out to also support military charities, such as Warrior Gateway, which helps guys transition from combat into civilian life. We should all remember without veterans this club and many like it would not exist. Our lives, as we know them, would not exist.

On to something new. I think that I am lucky and blessed to have the job I have, and I am trying to create longevity. If that means that I transition into different things at different points in my life then that's fine. I also believe that if doors don't open, make new doors. So, I've also started producing quite a bit of things. With that being said, starting in November, Wednesday's will transform a bit. “Mexican Nite” will become “International Nite”, so start thinking about what countries cuisine you would like

to sample. Apps – Sliders – Sides will become “Breakfast for Dinner Nite”, and Salad Nite will become “Grandma's Kitchen” with all types of comfort food. A final word for the month. Transition aren't always pretty, but stagnation is hideous.

To all take care,
Duane.
