Again all incoming new students must bring this form to school on orientation day. I will contact any current families that need an updated form.

Our new and exciting Extended Day will begin on September 10th! This is a program for our 4's and 5's on T,W,Thurs from 12-2:45. The program will include lunch followed by many enrichment activities.

Several families have indicated that they are interested extended day, but not which days they are interested in. Please let me know by July 31st what your interest is. We can always add if we need too. If we do not have enough interest on a specific day we will need to cancel that day.

We hope that you are enjoying your summer. We are looking forward to fall and another successful school year with your children.

Sincerely,
