Providing outdoor adventures for individuals with disabilities, including Veterans & First Responders, their families, and Gold Star families. 
Promoting and fostering awareness of environmental, ecological, flora & fauna management, conservation, and recreation. Collaborating with other non-profit organizations to extend their outdoor initiatives.

VETERANS 
There are over 4 million registered disabled Veterans in our VA system. When you add the disabled Veterans who choose not to utilize the VA the numbers are stunning. Along with physical challenges, PTSD, TBI and other mental disabilities are massive. With 22+ suicides per day (over 8,000/Yr.) something needs to change.

Camp Freedom provides a safe harbor for our Veterans and their families to bond with nature, find purpose, and live again. Whether they like to shoot, hunt, fish or just relax, our outdoor adventures provide life-saving opportunities for our true American Heroes.

FIRST RESPONDERS 
The same issues that plague so many of our Veterans are now plaguing our local everyday Heroes ... our First Responders. Usually first on the scene, they can witness the unimaginable. As a result, mental struggles and suicides are on the rise among our Police, Law Enforcement, EMS and Fire Fighters.

The difference is they have no VA system to help them or a system that allows them to get help while still protecting their job. Camp Freedom provides a discrete get away of healing at our 1,800 acre outdoor paradise. This is the perfect medicine to help our First Responders to get the help they need.

GOLD STAR FAMILIES 
When our patriotic men and women go away to war they understand the ultimate sacrifice could become reality. When the unthinkable happened, their families are left with the pain of losing their loved one and the added weight of who will now be there to teach their kids life skills. Camp Freedom provides an environment where kids can learn the skills of camping, backpacking, survival training, shooting, fishing, conservation and the spouses can relax and reconnect with the family. We also offer these get aways to First Responder families.

- 3D Archery Range - Sporting Clays

No experience necessary.
All equipment will be provided.

“An organization like Camp Freedom will change your life if you give it a chance. They really do care.”
Ben Wilkins, U.S. Army, Major (Ret.)

OUR MISSION

Camp Freedom is a year-round adventure camp for individuals with disabilities, including Veterans & First Responders, their families, and Gold Star families which provides quality hunting, shooting sports, fishing, camping, hiking, biking, and other year-round outdoor activities. These activities remove individuals from clinical settings into the healing environment of the outdoors and nature. They also promote the social well-being of the participants by interacting with their peers, their families, and volunteers for a lifetime. Camp Freedom focuses on abilities and strengths rather than disabilities. Activities will be led by Camp Freedom’s Staff and experienced volunteers. The camp is mostly wheelchair accessible. Activities are adapted to give every guest the opportunity to participate. Additional activities include outdoor excursions such as nature walks, wildlife tracking, and flora identification. Camp Freedom will also provide services to other non-profits who have a similar mission for a collective impact.

Because of the generous support of our donors, all activities are provided FREE of charge.

If you are interested in making a donation of any type - time, goods, talent, or monetary - please contact Matt Guedes, Executive Director 970-986-0730 or MattG@CampFreedomPA.org.

OUR PROPERTY

The property at Camp Freedom covers 1,800 acres from the river bottom to the top of the mountain. The terrain is abundantly varied from thick mountain laurels to hardwood stands. The outdoor opportunities at Camp Freedom are endless.

Our property has populations of whitetail deer, black bear, turkey, grouse, coyote, fox, waterfowl, and more. We have a 550+ acre fair chase hunting estate and over 1,200 acres of free range grounds.

We have two ponds that provide great fishing opportunities along with 1 ½ miles of access to the Lackawanna River for incredible trout fishing.

Come and enjoy an experience of a lifetime in northeast Pennsylvania’s great outdoors.
