Child prodigy to teenage superstar

Pianist, singer, songwriter and showman Ethan Bortnick has shared the stage with Elton John, Andrea Bocelli, Beyoncé, Josh Groban, Reba McEntire and other top talents.

He has had multiple world tours and has raised \$50 Million for non-profits.

His show at Temple Anshei Shalom:
Beatles to Elton John to Broadway, Chopin to Neil Diamond, Michael Jackson to Motown to rock 'n roll.

Plus original pieces from his PBS Specials. Watch him compose as he plays, creating songs using audience stories/ideas.

Why is such a superstar coming to TAS?
Because despite his fame worldwide, he's still a nice Jewish boy from Pembroke Pines!
