Just For Today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just For Today, I will have faith in someone in NA , who believes in me and wants to help me with my recovery.

Just For Today, I will have a program and try to follow it to the best of my ability.

Just For Today , through NA, I will try to get a better perspective on my life.

Just For Today, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life, so long as I follow that way, I have nothing to fear.

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you give your-self a break. Our program is a set of principles written to simply that we can follow them in our daily lives. The most important thing about them is they work.
