Dear Workforce Partner,

While we all adjust to the daily challenges that the global health pandemic presents, we at the MassHire Greater Brockton Workforce Board remain committed to serving and supporting our local and state partners. Although the physical offices of the MassHire Greater Brockton Workforce Board and Career Center are closed, staff is working remotely to ensure we are in the best position possible to successfully emerge from this crisis. We want to extend our sincere appreciation to those individuals working to keep us healthy, safe, fed, and informed.
