

Live life to the fullest
when you join *The Hamilton*
family.

DINING EXPERIENCE -
It's your turn to savor.

The Hamilton offers a beautiful dining venue for your daily enjoyment. Breakfast, Lunch and Dinner are deliciously prepared and served by our culinary team. Private Dining areas are available by reservation to provide the perfect setting for family dinners.

HEALTH AND WELLNESS -

It's your turn for peace of mind. Our staff is dedicated to providing assistance with a variety of health related issues from individual awareness to educational opportunities and coordination of wellness activities. We have an on-site rehabilitation facility with licensed physical, occupational and speech therapists, a wellness center, and a variety of exercise classes. Our staff is committed to helping each resident in their effort to maintain the highest level of independence.

The Hamilton
is full of life. Come for a visit,
then go home and start packing.

Virginia Health Services provides a *continuum of care* that blends seamlessly from one stage of need to another.

IN BEAUTIFUL YORK COUNTY

Soon after opening our highly successful Huntington assisted living community in Newport News, Virginia Health Services determined that there was a significant need for a luxury assisted living community in York County. Consequently, *The Hamilton at York Convalescent* became a reality.

At *The Hamilton*, we understand that to share your life with loved ones, you may need an extra bedroom. And that's just one reason why here, life is all about you. Whether you spend your days socializing with friends, reading a book, or taking a class in our wellness center, we assist you in living life to the fullest. With no entrance fees or costly upfront commitments, you will have the peace of mind and comfort of knowing you have access to the *continuum of care* offered by the Virginia Health Services family at your fingertips.
