Do you love Virgin Islands National Park? Would you like to be a part of its success? Friends is hiring Sales Associates for its store in the National Park Visitors Center in Cruz Bay!

Friends of Virgin Islands National Park is a non-profit organization dedicated to helping meet the needs of Virgin Islands National Park by offering fundraising, volunteer and project management support.

As a part of that mission, the Friends operates a retail store in the National Park Visitors Center. All the proceeds from this store as well as our online shop help protect and preserve the natural and cultural resources of the Park. The Visitors Center is open Monday to Friday from 9am to 3pm.

The store offers a variety of memorabilia including clothing, books and maps, toys, and reef safe sunscreen. Successful applicants must have good knowledge of the Park, be welcoming and friendly, have excellent customer service skills, have some computer skills, and preferably have retail experience. Tasks include helping with merchandising which involves moving and unpacking inventory (must be able to carry 30lb boxes).
