**FOOD DONATION BOX**

As usual but especially during this time of coronavirus lockdown, you are invited to bring non-perishable food for the needy. Because the church and office remain closed, please place your food donations on the steps inside the door of the Rectory Office.

Items required, baby foods, baby formula, canned fish, canned meats, pasta, sauces, soups, cereal. Thank you on behalf of those who will benefit.

A special THANK YOU to those parishioners who have mailed or dropped off their donation envelopes to the parish office. These contributions together with funds from those who contribute through regular bank transfers, enable our bills to be paid for a more relaxing situation. I appreciate your ongoing support and I am very grateful for the contributions that have been received. My prayers are all going your way.

Fr. Ranjan D'Sa OCD

**Online Saint Dominic Mass  
– Behind the Camera**

*Peter Coffey shown with Vicky Ramla & Father Ranjan resolving some of the early sound issues.*

Although we don't see him, **Peter Coffey** makes live streaming Saint Dominic Sunday Mass possible. He is putting his self-taught skills into practice as a volunteer. Peter sought advice/input from a friend in the film industry. Then with his own research and Father Ranjan's support, he resolved the initial streaming hiccups. Each week brings new challenges but he finds resolutions. "Give him a challenge and he masters it".

When his family moved to Canada from South Africa, Peter was eight years old. St. Dominic has been their second home since 1995. When the family moved away from the area, Msgr. Roger Formosi asked them to remain in the Parish. Peter has a Degree in Aviation (Flight Technology) from Seneca College and is very generous with his time. Due to the coronavirus shutdown, Peter is currently on leave from his custodian job. When he is working, Peter always does a lot for the Parish beyond "office hours". He also helps manage the parish website.

Peter is very smart and takes time to fully understand all aspects of a problem, before resolving it. He has a good sense of humour and is very thoughtful and patient with his three sisters -- he is a good listener and gives great advice! He's a man of Faith and Integrity. We are blessed to have him!

**EMAIL ADDRESS – UPDATES**

During the current lockdown, **email** has become Saint Dominic parish’s most efficient and effective means of communication with parishioners.

Within the past few weeks, if you have NOT received an email from [sacristan@saintdominic.ca](mailto:sacristan@saintdominic.ca) please send your correct email address to that address. If you have received a Saint Dominic email, we have a valid address, no update is required. 😊

**CONQUEST & CHALLENGE**

Our Conquest and Challenge boys and girls have been continuing their meetings online as well as via Zoom. Ale Briones has been working hard to bringing everyone together and creating activities. For further information [ale.briones@gmail.com](mailto:ale.briones@gmail.com) or 1 (905) 580 0737

*In lieu of our weekly printed bulletins, the Saint Dominic Parish Newsletter/Bulletin is an online update on parish and diocesan activities, ministries and parishioners. The newsletter is posted weekly on our website. Please email your suggestions and submissions to: [office@saintdominic.ca](mailto:office@saintdominic.ca)*

**MULTI-TALENTED PASTOR**

*When he came to the office last week to sign cheques, finance committee member Rod Raufali received a bonus . . . a much appreciated haircut! Years ago, when housekeeping tasks were being assigned to seminarians, Ranjan elected to learn barber skills instead of kitchen duties thus he never learned to cook.*
