

Dear Parents of Sunday School Age Students,

I know it has been a while since I have reached out to you, but I wanted to give you some information on how we will be handling Sunday school this school year. We plan to reevaluate the plan at the Trimesters since our curriculum is broken down in three parts.

For the fall Trimester we are offering two options for Sunday school students.

Option #1: We are having Sunday school teachers record the lessons and songs and post on the website. There will be separate lessons for Pre-k through 2nd Grade and for 3rd Grade through 6th Grade and for 7th -8th Grade. These lessons will be posted on our webpage in the following location: <https://clcstoughton.org/christian-edyouth/> (there will be links at the bottom of the page to the sites for each lesson. Weekly Materials will be emailed to parents that have activities that support the lesson and we will have one mailing prior to the start of Sunday school that will include some fun crafts and/games and activities that will go along with the lessons.

Option #2: We will have in-person lessons, but these must be kept to small groups. We will have shorter lessons about 30 to 45 minutes and the groups will be multi-age so that we can have families grouped together and allow for parents to not have to come multiple times to drop off kids. We will be social distanced and follow safety guidelines. Each student will have their own materials that will not be shared. Kids will be required to wear masks per the Dane County Guidelines. See attached sheet for more safety information. Kids will only attend classes every other Sunday to allow for the smaller groups and to allow for all students interested in coming to an in-person lesson to attend. If you are interested in this option for your child you will need to register by no later than **September 1st** so that we can have all supplies available, staffing in place and everything ready for when your child starts on September 20th.

We will reevaluate each Trimester which happens to fall on the following dates this year:

Trimester #1:

Starts: 9/20/2020

Ends: 11/22/2020

Trimester #2:

Starts 11/29/2020

Ends: 2/14/2021

Trimester #3:

Starts 2/21/2021

Ends: 5/2/2021

I will put out a calendar on the website and I will enclose one with the materials so that you will know what lessons occur each week and if you have any questions please let me know.
