## Mathematics Boot Camp 2021 Facilitators and notable students

### Facilitators for the boot camp

#### Imaad Isaacs

Imaad is a qualified teacher and Principal of [Futures Academy](#). He has been tutoring learners in mathematics and physical sciences since 2009, where he assisted 200 matriculants in his matric year from various schools across the Western Cape. He is actively engaged in teaching mathematics and physical science at Futures Academy. He studied at the University of Cape Town with a focus on Film, Arabic and Mathematics. His postgraduate studies focussed on quality assurance and improvement in independent secondary schools. Imaad has taught matric maths and science for 10 years, and served as matric marker and examiner.

### Notable students

Some notable students who have significantly improved their marks (i.e. improvements of 25% - 50% increase in achievement results) and participated in the Winter School or Saturday Tuition Program.
