

SPONSOR SEQUOYA'S CAMPUS CONNECTION EMAIL

Help Sequoia Elementary students, parents and faculty stay informed by sponsoring our Campus Connections email that is sent to over 550 parents and faculty. Sponsorship money is included in our APT Funds which help us continue to support our school in maintaining a high level of education, paying for teacher assistant salaries, technology and updated computer programs, art supplies and programs, classroom supplies and so much more!

Your Sponsorship message will be placed on each email along with a link to your website and logo or graphic if you desire. This is a great way to compliment a specific faculty member, promote your business or share your cause.

Considerations:

- *Your sponsorship message can be a combination of text and art**
- *Sponsorship message space is 525px wide by 150 px high**
- *Art must be supplied in a jpg, gif or png digital format**
- *All art and text submitted is considered final**
- *All artwork must be owned by the sponsor and/or permission to use obtained by the sponsor**
- *Unless converted to art, text formatting cannot be guaranteed (as each mail server may render their text differently)**
- *The APT has the right to refuse any message/content that it deems inappropriate or that may conflict with our email server's rules**
- *All sponsorship information and payment must be received by noon Wednesday prior to the end of month's Friday email**
